

Increase your contribution through Minnesota companies! Through corporate matching gift programs, cash gifts from a company's eligible employees (and sometimes retirees) are matched with company or corporate foundation funds. If your company is one of these matching gift employers all you need to do to double your gift is 1) request a matching gift form from your employer (usually through HR or the Foundation office), 2) complete your portion, and 3) send the signed form with your gift to Park Square. Thank you!
